

## A MESSAGE FOR THE MASSES

When you come before the Lord

No question is too small,

No prayer goes unheard,

No mountain is too tall.

So let HIM be your guide,

Let HIM take you by the hand,

Let HIM walk by your side,

Let HIM give you strength, for you are only man.

When you walk in the light of JESUS,

No darkness can enter in;

For JESUS *is* the Savior,

Who forgives us all our sin.

So bow your head before HIM,

And kneel before HIS throne,

For HE is waiting there to receive you,

So one day HE may take you home.
